

MU FUNDRAISING IDEA DURING
COVID-19 LOCK-DOWN
and
KEEPING IN TOUCH ACTIVITIES

Bags were made for each member with their initial on the outside.

Inside are four separate parcels each different, each with a specific set of instructions:

- Week 1 GRATITUDE AND OUR OVERSEAS & NORTHERN OUTREACH PROGRAMME
- Week 2 YOU ARE THE HOSTESS
- Week 3 SOMETHING TO SMILE ABOUT
- Week 4 THE NON EVENT (what would have been our fund raiser)

Each week had a gift , scripture bites, some funny stories, some information prayers etc.

The overall idea is that for each week we should put in what we would have for each activity,

-) as Hostess, the cost of provision in total - food beverages etc
-) The non event, just how much to supply things for sale on the trade table together with the amount you would spend on the day.

Sure you will agree that this is a lot easier way to raise money, though definitely not as much fun or enjoyable as working together in person nothing can replace that.

These are and have been difficult times, but be encouraged you are awesome children of God and you can succeed in this venture as you usually do in all our activities

Thank you to Carole Martin (St Andrews Corio/Norlane MU) for sharing this fundraising idea which was created by Sandra Trewartha (Branch President)
